The Logo

The Logo or the Coat of Arms is a representation of the principles of the school. It lays the information for the future and provides guidance to those associated with it. It gives a sense of pride and belonging, when you look up to it or wear it on your chest.

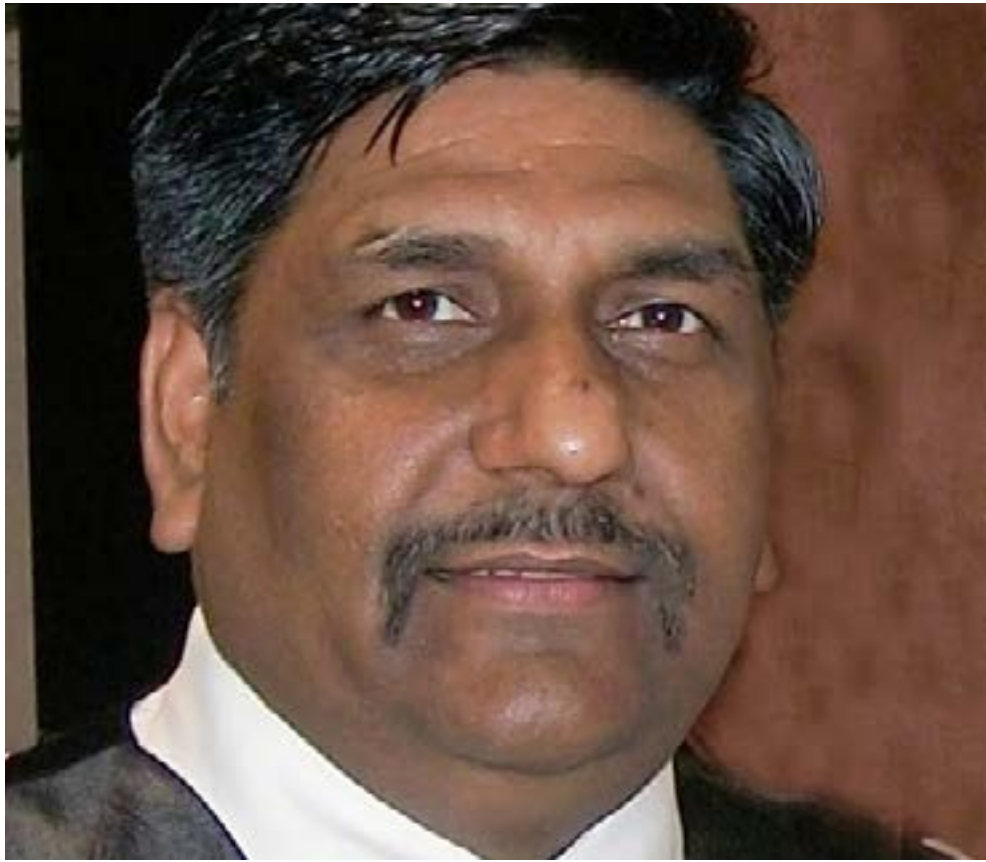

The logo of the school has been thought and envisioned by Shri Barun Mitra, a renowned social activist and it has been beautifully expressed by the well known artist Shri Ravindra Tanwar.

School Flag.

The Tree in The School Flag represents the educational and spiritual aspirations, signifies growth. The leaves represent eternity and wisdom.

Motto: Joy of Learning

- **Our goal** is to impart a sense of joy, so that learning remains a lifelong passion for students and teachers alike.
 - **Logo:** The school's logo captures the essence of the philosophy of education at Sri Ram International School, integrating the eternal desire for continuity with modern manifestations and laying the foundation for the future.
 - **Flow of Knowledge-** The book portrays the knowledge as it flows like a river, constantly changing, expanding and never ending.
 - **Growth of life-** The tree of knowledge and the river dolphin symbolise the various life forms and the environment that are nurtured by the flow of knowledge
 - **Spread of Values-** The telescope stands for the courage of conviction to explore new horizons; the computer represents the capacity to Reason and analyse evidence based on Logic; the balance symbolises Justice and honesty, and the stethoscope exemplify empathy for fellow human beings.
 - **SECURING THE FUTURE-** The four petals illustrate the diversity of students, with different skills & interests, who leave the portal of this school, to pursue their chosen professions with capacity to harness whatever the world may offer, and wherever in the world they may find themselves. All the while enjoying the growth of their own life while cherishing the values that illuminate their journey.
-

RAVINDRA TANWAR

BARUN MITRA

The History

Sri Ram International School was a lifelong vision of late Shri Ram Kumar Singh Ji. A local resident of Vaishali, who was simple in lifestyle and powerful in vision. It is on his ancestral property and resources that people and family close to him took up the task to establish an international class educational institution. An institution which is humble, but solid, small but far-sighted, nurturing young minds and in-turn emancipating individual, families and society at large.

He realised this when he had to send away his children at a very early age to distant places for their education. The pain of a parent and the realisation made him envision such an institution.. An institution based on all round development of a child. Where the teacher is an all encompassing giver of knowledge, having his place greater than God.

LATE SRI RAM KUMAR SINGH, 1947-2011

The Vision

An individual is the smallest and the most important part of the society. Late Sri Ram Kumar Ji, firmly believed and lived his life on the core principle of individual liberty. He believed that, society comprises of individuals and not otherwise. It is obligatory for the society to do things that improves individual. This institution is an extension of that vision and thought. Every child in this institution shall get the best of his development as an individual, in turn improving society, country and the world.

The school is committed to developing socially responsible global citizens in a safe, creative and educationally challenging environment that encourages collaboration and the achievement of individual excellence through self discovery.

The land of the school premises has been donated by Shri Srinandan Singh for the same purpose of imparting education to the benefit of the human kind.

TRANSPORT SYSTEM

The school has its own buses and a separate transport department with an experienced head.

They take care of an effective and efficient transport system. The buses are fitted with a GPS system, a medical emergency kit, a hand-phone and drinking water. A teacher accompanies the students to and from the school on all trips, besides the driver and the conductor.

All Drivers and assistants are regularly checked for conduct, consumption and conditions.

The transport and administration is in regular touch with them. Relevant telephone numbers are provided to the parents for updates.

SPORTS FACILITY

As the school has open area for sports facility, there are devoted interests of the school to develop and hone the skill of children in various sports, like, Tennis, Basketball, table tennis, badminton Golf, gymnastics, football and cricket. There is a separate playground for small children with See-saw, Jungle gym, sand pit and swings.

A sport teacher and professional trainers are in-charge with a sports head. There are regular and compulsory sports classes and an annual event for performance.

There are inter-house competitions conducted on regular basis and also the inter-school competitions organised by school sports department.

ACADEMICS

This is the most important aspect of the school, where SRIS holds a unique position. We at SRIS believe, this is the centre for development of the mind of the child. Importance is laid to make the child understand the concepts not just by curriculum but by all means necessary to make him think and go deeper into the subjects. Improved teaching techniques are provided, a global perspective is visualised. . Research based learning is supported at a very early stage. Career Choices are discussed, every child goes through professional counselling. Emotional Quotient is given equal weightage to Intelligence quotient.

With the advent of Online Classes and introduction of technology. We take the help of faculty who can not necessarily travel to our school. Regular Workshops on various subjects are held

The classrooms are equipped with Smart Classes . Subjects and topics are visited by the teachers in all possible ways to drive the concepts to the students. Teachers are instructed to involve students in project works and classroom activities. Eventually to perform in a competitive environment, the students are taught to be precise and punctual with their expression of knowledge. Special and distinguished faculty are occasionally invited for lectures and interaction.

ACADEMIC SESSION

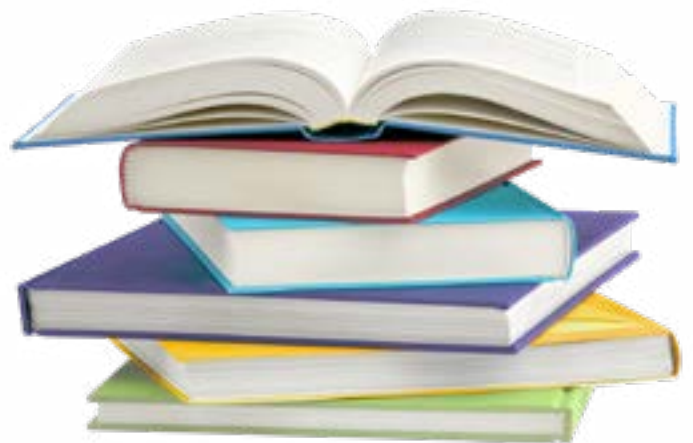

The Academic Year is from April to March

THE SUMMER TERM:

Early April to September

THE WINTER TERM:

October to March

LIBRARY

Libraries become a different kind of learning destination when schools re-imagine them as open, transparent spaces that invite student communication and collaboration.

An appealing, inspiring collection of books, regardless of content area, is a crucial literacy tool that every school should have.

The library is the favourite place of the children . It is the best manages library with elaborate collection of books of all fields. There are digital content too. The library is managed by an experienced librarian.

There are more than 10000 books of different categories, suited to the development of the children.

SKILL AND LANGUAGE DEVELOPMENT

It is a known fact in academic circles that, knowledge in today's world is only as good as one is able to express it. And for expression a control over language is a must. Understanding the need of the hour, this school lays special stress on language building. Students should be able to inculcate a life long habit of reading and writing. For this we have a special language teacher who is counselling kids specifically for understanding of language.

The school also makes it imperative for every child to hone a skill be it music, art or anything as per his or her abilities and likes.

Painting and Crafts nurture creativity as it engages children in a process that adds in the development of self-esteem, self-discipline, co-operation and self motivation. Some of the activities we offer are Papier Mache, Clay Modeling and Fine Art. The school has an Art Department which teaches children various art forms, thus giving them opportunity to hone their creative skills.

COMPUTERS/ EXTRA CURRICULARS

The school has well equipped laboratory for education and proficiency in computers, both hardware and software. A skilled staff shall assure that every student is well attended and upgrades his/ her skills in computers.

Students will be encouraged to do projects on a regular basis on computers through presentations etc. The school has a vibrant atmosphere for extra-curricular activities. There is specialised and compulsory classes in dance, art, music, singing, debates, dramatics and elocutions. There are inter-house and inter-school competitions.

Use Of Technology

Classrooms aren't just confined anymore to the four walls of traditional schools. Education thru technology is the way of the future. We have highly developed IT department with the latest hardware, the most recent software and 10 mbps lease line internet connection on fiber to allow us the provision of parent portal access, hosting our own services and conducting online classes. All classrooms are installed with computers connected to Smart Board system.

ONLINE SCHOOL

We Provide Free Smart Tabs to all Students. All Academic and Co-curricular material is available on the tab. All Regular classes are beamed for live interaction too. Teachers are available to help the students online even after school. We provide External faculty to our students thru online classes. There are periodic workshops for academic as well as other fields.

ERP

The School Boasts of a Mobile application, Through which Students / Parents / Teachers / School Management can regularly interact with each other. All Academic Calendar, activities, transport, attendance, homework, fee details are available on the application.

SAFETY AND SECURITY

There is team of security personnel from a reputed agency, besides a few on the rolls of the schools. Also there is 24 h. CCTV coverage of all important areas. A security supervisor is at all times be on duty, reporting to the Principal.

The local police is kept in the loop and id requested to keep a tab on their daily rounds and be available immediately in case of any emergency.

COVID-19 Protocol

In view of COVID 19 Epidemic and for future safety. All Staff practices, safe distance and maintains

hygiene. All Entrants are subjected to use of sanitisers and Face Masks. Class Room Strength is

maintained to 20 students per class.

International Exposure

- Newer fields are explored
